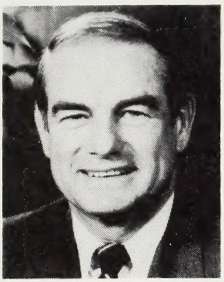
Message from the Premier



Athletes from across the country have been brought together to measure their abilities and sharpen their competitive performance against fellow Canadians at the 1987 Jeux Canada Winter Games in Cape Breton. These Games encourage the development of amateur sport in Canada and profile some of Canada's future Olympians.

Albertans are very proud of Team Alberta. This group of athletes, coaches and managers have dedicated many hours of hard work to reach the Games in Cape Breton. Our thoughts and best wishes are with them as they represent the Province of Alberta.

Over the next two weeks, many dreams will be fulfilled, goals reached and limits tested. The media have an important role to play in capturing these moments to share with other Canadians. Your contribution to these Games is in the valuable coverage you provide.

To assist you in your endeavors, this Media Guide will serve as a means of introducing you to our Team Alberta contingent, their profiles and accomplishments. Team Alberta's slogan "Sending Our Best" exemplifies the calibre of our athletes. Many Albertans will be following their progress with a sense of pride, enthusiasm and community spirit.

I am sure this guide will serve your needs and make your story a little easier to tell.

Awards

All provinces will vie for 3 prestigious awards at the 1987 Jeux Canada Games: the Centennial Cup, the Jack Pelech Award and the Canada Games Flag.

Centennial Cup

This trophy is awarded to the province or territory showing the greatest improvement in their final standing in comparison to the previous Canada Games, on a winter to winter, summer to summer basis.

At the 1983 Jeux Canada Winter Games, Alberta was the runner-up with a 10.6% improvement. The winner of the Centennial Cup was Saskatchewan with an improvement of 15.7%.

Principles of the Award

1) The scoring formula must fairly reflect the relative improvement of a province/territory team from one Games to the next.
2) The basis of comparison should be consistent and account for any changes in sports and competition categories from one Games to the next.

Jack Pelech Award

The first annual Jack Pelech Award was presented to New Brunswick at the 1985 Canada Summer Games in Saint John, New Brunswick.

Jack Pelech is a practicing lawyer from Hamilton, Ontario who, as president of the Canada Games Council since 1970, has steered the Canada Games through its development years. The award was established as a means of honouring Jack's years of service and dedication to the Games.

It is presented at each Summer and Winter Canada Games to the province or territory whose contingent best combines competitive performance, good sportsmanship and a spirit of fair play, cooperation and friendship.

The Award will be presented at the closing ceremonies of Jeux Canada Games '87.

Canada Games Flag

For the '87 Canada Games Flag the scoring system is based on a maximum of 250 points. Points will be awarded in each individual sport as follows:

1st place — 10 points
2nd place — 9 points
3rd place — 8 points
4th place — 7 points
5th place — 6 points
6th place — 5 points
7th place — 4 points
8th place — 3 points
9th place — 2½ points
10th place — 2 points
11th place — 1½ points
12th place — 1 point

Message from Team Alberta Chef-de-Mission

The members of Team Alberta have been carefully selected and trained to compete in the 1987 Canada Winter Games, in Cape Breton, Nova Scotia. In some cases coaches were selected and in place three years ago in order to prepare specific plans and training programs for athletes participating in this event. Likewise, some athletes have been training specifically for these Games for up to three years. This dedication and commitment helps to ensure that we are "sending our best" athletes to represent Alberta in Cape Breton.

It is hoped that this Media Guide will help you become familiar with Team Alberta members and facilitate your media coverage of this significant Canadian amateur sporting event.
